

Revised LR 15(2)

All Motions to dismiss, motions for summary judgment, motions to strike, and motions under CR 12.02 must be noticed for a hearing at the regularly scheduled motion hour of the division in which the case is pending with copies served on the presiding judge. Motions to dismiss, motions for summary judgment, motions to strike, and motions under CR 12.02 shall be filed and served upon opposing party and/or attorney(s) at least fourteen days (14) days prior to the day of the motion hour on which the hearing has been noticed and all such motions must be accompanied by a memorandum of the grounds for the motion with citation of authorities relied upon, and may not exceed 25 pages in length, unless permitted by prior order. Failure to file a memorandum with supporting authorities may be grounds for overruling the motion. Any party properly served with a motion accompanied by a memorandum and authorities shall file and serve a response opposing the motion, with citation of supporting authorities not exceeding 25 pages in length except by leave of Court. Such response shall be filed at least 7 days prior to the time specified in the notice of hearing of the motion. Failure to file a timely response may be grounds for sustaining the motion, but the time for filing a response may be extended upon oral or written motion for good cause shown, including such factors as the length and complexity of the motion and supporting memorandum and time of service of the motion. Any reply memorandum shall be limited to five pages in length and must be filed and served 48 hours prior to the hearing. Those motions not disposed of at the hearing shall be submitted to the judge for a decision with a Notice of Submission to be filed by the party filing the motion with copies served on the presiding judge.
