2021 REVIEW

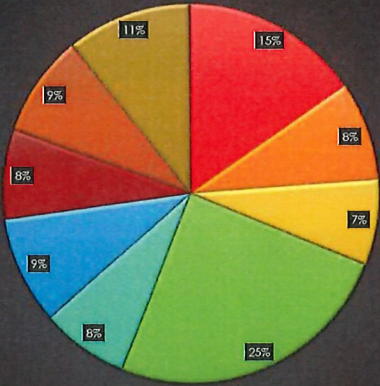

2020 vs 2021

Year	Total
2020	130
2021	450

The image displays a comparison between two years. On the left, a bar chart titled '2020 vs 2021' shows a significant increase in the 'Total' value from 2020 to 2021. The y-axis represents the total value, ranging from 0 to 500 in increments of 50. The 2020 bar reaches approximately 130, while the 2021 bar reaches approximately 450. To the right of the chart are two photographs of a green frog mascot. The first photograph, labeled 'April 2020', shows the mascot standing by a window. The second photograph, labeled 'April 2021', shows the same mascot in the same position, but with a noticeably larger, more rounded body.
